

SLUSH EQUIPMENT

BUILT TO BE YOUR KIND OF FUN

It's always more fun when you can put your own spin on the world's happiest, most refreshing on-the-go treat.

DO IT YOUR WAY

With the versatility to create your own ever-changing frozen drink menu, our equipment helps you stand out from the crowd.

- Easily switch flavors and offer everything from colorful, fruity slushes to gourmet frozen teas and coffees
- Stay on-trend and drive traffic with cool, new LTOs
- Capitalize on a customizable, high-margin profit center

YOU'LL LOVE EVERYTHING ABOUT IT

If you think making your own slush menu sounds sweet, wait until you hear the rest of it. These freezers really are designed around your operation.

- Available in one- and two-flavor models
- Choose from a variety of sizes including small countertop and high-volume freestanding options
- Pre-mix or post-mix syrups for unlimited flavor choices
- Compatible with syrup programs from popular soft drink brands
- Superb repeatability for phenomenal slushes every draw
- Excellent recovery time and throughput so you can handle any rush
- Easy to use for customers and staff
- Some models with remote refrigeration

SERVING YOU, SERVING THEM

While our slush equipment is built to be your kind of fun, we're built to serve. We support our customers with a global distributor network, dedicated help centers and the most highly trained service technicians in the industry.
